It is intended that this will be a City staff/consultant run meeting and the discussion will focus on considerations for interchange improvements at the Fremont Avenue on and off-ramps at the I-10 freeway. However, due to the possibility that three (3) or more members of the Alhambra City Council may attend this meeting, which will include a discussion of traffic in Alhambra as well as the interchange improvements at the Fremont Avenue on and off-ramps at the I-10 freeway, notice of a special meeting of the Alhambra City Council is hereby given in an abundance of caution pursuant to the order of the Mayor of the City of Alhambra, the Alhambra City Charter, the Alhambra Municipal Code and Section 54956 of the Government Code of the State of California.
