INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Honorable Mayor
and Members of City Council
City of Alhambra
Alhambra, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Alhambra (the City), as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated December 26, 2014.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY OMB CIRCULAR A-133 AND ON THE
SCHEDULE OF EXPENDITURES OF FEDERAL AND SELECTED STATE AWARDS

The Honorable Mayor and
Members of City Council
City of Alhambra
Alhambra, California

Report on Compliance for Each Major Federal and Selected State Program

We have audited the City of Alhambra's (the City) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the City's major federal and selected state programs for the year ended June 30, 2014. The City's major federal and selected state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal and selected state programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal and selected state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or selected state program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and selected state program. However, our audit does not provide a legal determination of the City's compliance.

Opinion on Each Major Federal and Selected State Program

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and selected state programs for the year ended June 30, 2014.

Report on Internal Control over Compliance

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and selected state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and selected state program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or selected state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or selected state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or selected state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal and Selected State Awards Required by OMB Circular A-133

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Alhambra as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our report thereon dated December 26, 2014, which contained unmodified opinions on those statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal and selected state awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal and selected state awards is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CITY OF ALHAMBRA

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL
AND SELECTED STATE AWARDS

For the year ended June 30, 2014

1. GENERAL:

The accompanying Schedule of Expenditures of Federal and Selected State Awards presents the activity of all federal and selected state financial assistance programs of the City of Alhambra (the City). The City's reporting entity is defined in Note 1 of the notes to the City's financial statements. All financial assistance received directly from federal agencies, federal financial assistance passed through other government agencies to the City, as well as certain state financial assistance passed through the County of Los Angeles Department of Community and Senior Citizens Services is included in the accompanying schedule.

2. BASIS OF ACCOUNTING:

The accompanying Schedule of Expenditures of Federal and Selected State Awards is presented using the modified accrual basis of accounting for governmental funds and the accrual basis for proprietary funds, which is described in the Note 1 of the notes to the City's financial statements.

3. RELATIONSHIP TO COMPREHENSIVE ANNUAL FINANCIAL REPORT:

Amounts reported in the accompanying Schedule of Expenditures of Federal and Selected State Awards agree to amounts reported within the City's Comprehensive Annual Financial Report.

4. RELATIONSHIP TO FEDERAL FINANCIAL REPORTS:

Amounts reported in the accompanying schedule agree with amounts reported in federal financial reports.

5. FEDERALLY FUNDED LOANS:

The City administers loans, primarily deferred loans, made from funds provided by the following federal programs:

<u>Federal Programs</u>	<u>Loans Expended During the Year Ended June 30, 2014</u>	<u>Loans Outstanding as of June 30, 2014</u>
Community Development Block Grant	\$ -	\$ 265,239
HOME Investment Partnership Program	857,814	5,118,881

See Independent Auditors' Report on Compliance For Each Major Program and on Internal Control Over Compliance Required by OMB Circular A-133 and on the Schedule of Expenditures of Federal and Selected State Awards (pages 3 and 4) and the Schedule of Expenditures of Federal and Selected State Awards (pages 5 through 6).

CITY OF ALHAMBRA
